'LOGGERS' AND 'REDSKINS' DISPLAY SUPERIORITY

Only two games remain in this years conference play. The Eagles are to journey to Prospect on February 9, and St. Mary's comes here on the 13th.

Due to very keen competition, the Eagles lost to Butte Falls and J'ville this past week.

The second string dropped their first game this season to the J'ville seconds last Friday night.

KERR WINS TOWN HALL CONTEST

To all those students who would enjoy reading the actual opinions of a boy about their own age, we suggest they read an article in the February issue of the Current History. The winner of the much talked about Town Hall Essay Contest was a boy of seventeen years old. Frank W. Kerr expresses his thoughts on "What Does American Democracy Mean to Me?" on page 43 of the February issue of Current History magazine. This should mean something to all students as it is in the words of a high-school student. Kerr, a student in Seattle High School, wins five hundred dollars in prize money.

BOMBS FALL IN UNDECLARED WAR

Mr. Accident and Miss Hap scored several direct hits on the old E.P.H.S. schooner in the last two weeks. No casualties are reported but the list of injured is extensive.

The biggest bomb shell struck last Saturday night, February 3, in the form of an auto accident. Five crew members got "lone up". Another fell Monday night at the basketball game. Two more of the crew took the count and were disabled for playing. Not so long ago an axe-ident laid up two more.

Looking over the situation at present, the classes are short a few students and the basketball team is minus some first stringers.

THE GROUND HOG IS A "SKUNK"

Public enemy number one stuck out his chin last week and saw entirely too much. Now look at the weather! It is suggested that he be caught and made into real ground hog with a sausage grinder.

EAGLES' SECONDS WIN

Tuesday, Feb 6, the E.P.H.S. second string took a 34-31 victory over the Medford Jr. High seconds.

The Eagle's Quill is a student publication, printed semi-monthly by the students of the Eagle Point Schools. The subscription rate is twenty cents a semester or thirty-five cents per year.

Our policy for this year will be: to serve our readers with an accurate account of activities and happenings in our school and community and, by so doing to make friends, to give publicity to students who achieve and, at the same time, to serve as an outlet for student talent.

EDITORIALS

EAGLE'S QUILL ORGANIZATION

The Eagle's Quill is becoming better organized with every issue. There have been reporters assigned to every task and managers appointed to take care of the subscriptions and circulation. Under the advertising artist many students have been employed to make and draw the ads.

When the "dummy" or the original copy of the paper is printed, each page is assigned to one student. This person does the work on his page or sees that it gets done by a certain time.

Many students find it difficult to type the stencils, but the hardest job is the drawing. Only a few people in the high school are capable of doing the work. Let's have more student help and take more of the load off the teachers shoulders. (J.H.)

SPRING FEVER

Ho-hum, everybody is so-o-o-sleepy. The air is warm and wonderful; the breezes are balmy; and everybody whistles and sings and goes to sleep in classes;--it must be spring fever. So early this year has the spring come upon us, that we hardly know how to take it.

Spring fever around here shows different symptoms, depending upon the individual who is affected. Some students get the urge to skip school, others yearn to stroll around town or sit on the bridge with their present big moment, and still others do nothing but day dream all day long and catch up on their sleeping during dull classes. There are also a few people who just can't seem to remember anything when they get a touch of this common malady.

With a touch of spring for so short a time what will the students be like when spring starts in earnest, to say nothing of the early summer weather expected.

(Editor J. B.)

P. S. I refuse to be responsible for weather changes before this article gets to print.

THE STREAMLINED WISHING WELL

We are wondering if the new drinking fountain in front of the post office will serve the same purpose as the old-fashioned wishing well did in the older days. Will every young girl wishing or looking for romance, take a cool drink as she passes by and whisper her desire into the secret heart of the fountain for good luck?

THIRD AND FOURTH GRADE NEWS

We have two new pupils, Donald and Raymond Wright. Raymond is in the third grade and Donald is in the fourth.

PERSONALS

June Tingleaf, a former student of E.P.H.S. visited school Friday, February 2.

Jessie Beaulieu, Mary Harnish, and Audrey Knighten went to Medford Monday, January 29.

Two Lake Creek girls, Betty Trueblood and Edith Hoeft, were overnight guests of Mary Harnish and Audrey Knighten, January 30. They all four went to the Butte Falls-Eagle Point basketball game "The Hunchback of Notre Dame" was enjoyed by several of the students from here.

Everyone is glad to see Dave Hannaford's finger getting along so nicely. We missed his playing on the team.

A large crowd, including many of our high school students, was present at the Lake Creek Recreation Saturday night, February 3.

"Geronimo" entertained several of our high school students over the week-end.

The Lake Creek Grange Dance was enjoyed by several of our Eagle Point students Saturday night.

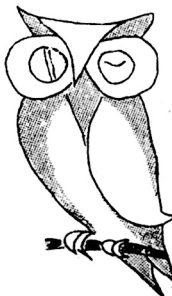

The students who miraculously escaped with minor injuries from the automobile accident last Saturday night, February 3, are all recuperating nicely; although they are still a bit shaken up.

The cheer leaders are still hoping they will get their costumes before the last game, anyway. (M.H.)

Mary N. I think you must be a wonderful basketball player.
Lowell. What makes you think so?
Mary N. No, the way you dribble your food.

Lee. I fell down my cellar stairs with six bottles of beer last Saturday night and didn't break one of them.
Dave V. How did you ever do that?
Lee. I had them inside me.

JUNIOR-EYE VIEWS

Eddie thinks that the basketball team should stay away from the tournament when there is no hope of winning.

Audrey thinks it would be awful to stay all night at a basketball game.

Willard thinks it would be a lovely world if the women were

left out.

Reva thinks a brain is a wonderful thing if you know how to use it.

Alfred thinks candy is the only important thing in the world

Martha thinks they made a mistake. It should be "Tommy, Oh Tommy". (Not T.T. either)

Harry thinks hitch hiking is fun.

George thinks the kids should buy more candy from the juniors.

Joan thinks more girls should take Physics.

Lucile thinks Willard's ideas are all wrong.

Bea thinks the girls should have more basketball practice.

Martin thinks it would be lots nicer to draw ads for the paper if he had more help.

Marie thinks school is swell when you can attend.

Edwin Crandall--Chasing lost credits down our familiar halls and doing a good job of it.

THE GRANGE DEBATES

At the Eagle Point Grange Hall last Tuesday night, an interesting debate was held on the subject of the Reciprocal Trade Treaty. The question was, resolved: The Reciprocal Trade Treaty is a good policy.

On the affirmative side were Mr. C.F. Davies, Mrs. Roy Stanley and Mr. Ebberts. They gave an excellent argument and introduced some fine points of interest.

The negative side was supported by Mr. Ross Kline, Mr. Harry Ward and Mrs. Nick Young. They also introduced their argument in very fine form.

The decision of the judges went to the affirmative side.

Maxine Cannon--Keeping house as Mrs. Ansel Pierce.

Gordon Schroeder--At home part time, and the rest of the time industriously working away from home.

George Long--Working at his life-long heart's desire--mining.

GIRLS' LEARN LESSON

The girls' health class had
a lesson on mental health today.
Since healthy minds and healthy
bodies go hand in hand, they feel
that they should learn to have
both.

CHURCH ANNOUNCEMENTS

Reese Creek Mission Church

The Rev. Charles Slater, a
noted missionary speaker will
speak at the Mission Church, Feb.
13 & 14 at 8:00 p.m. He has worked
in a number of fields and has
a message no one should miss.

Reese Creek Sunday School

The Rev. John Still will bring
a series of talks from the book
of Genesee each Sunday morning
at 11:00 o'clock. These will be
most interesting and everyone is
invited to attend.

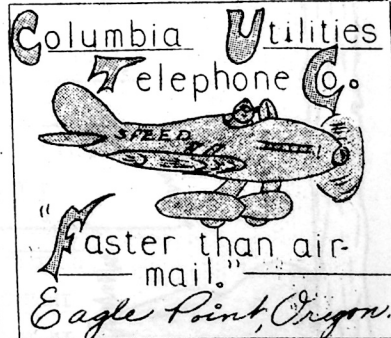

Lake Creek Sunday School

They are planning to add to
their program a chorus which will
be composed of the Junior Class.
It is expected that it will
arouse more interest.

The Rev. Wine from the Ashland
Brethren Church will speak
Sunday.

Tryouts for an all-high school
play, "That Crazy Smith Family",
by Katherine Kavanaugh will be
held as soon as the play books
arrive. The play calls for twelve
actors, six girls, and six boys.
Miss Olson hopes that many of the
students will be interested.

The Freshman English class has been busy writing "Limericks". Some were pretty good, yet silly, but after all we had a lot of fun out of it.

One of our number had quite an accident last Saturday night, January 28. Bonnie cut her finger with an axe. She is getting along fine now.

THE TEACHERS LAMENT

Why do we English teachers
Have our hair streaked with grey
And get new wrinkles in our brows
from day to day?
Poor grammar is the reason
why we're this way;
For example, just the difference
between the verbs, lie and lay.

We could teach for half a century
And ask the help of saints,
But we'd never succeed in teaching
some
There's no such word as ain't.

Oh, we know that in a classroom
A boy or girl will say,
"I haven't any pencil."
May I borrow one today?"
But wait until he goes outside
And plays among the boys.
He yells, "I ain't got none!"
And says have did instead of
done.

We teach double negatives until
we're blue in the face.

And have our students conjugate
verbs
And of nouns know the case.

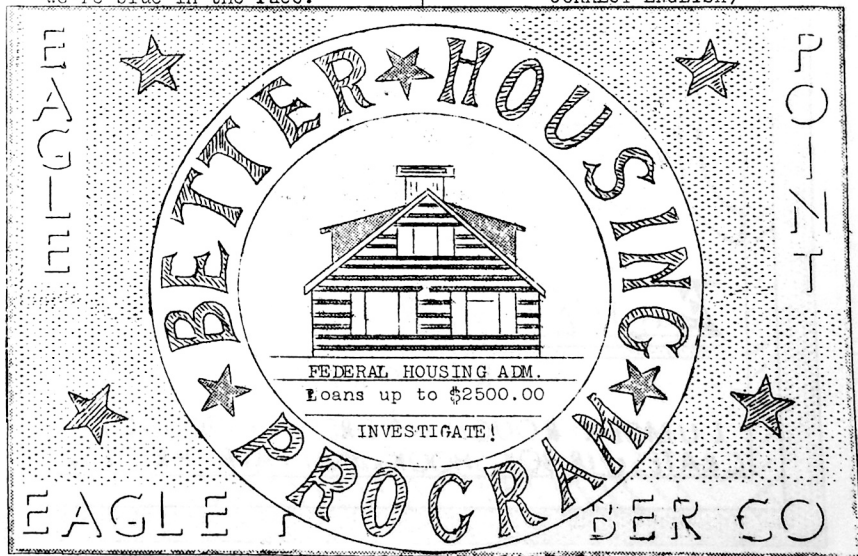

We fairly shiver when we hear
I seen,
And me and him makes us feel.
downright mean:
But at we was and theirselves
and hisself and youse
Our long pent-up temper we finnaly
lose.

So we keep right on pounding
day after day
On how to write and speak
in the proper way.
In class we gloat over success
we have made---
Students know the difference be-
tween have lain and have laid.

But wait until we leave the class
And hear our students speak.
We wonder what we've taught at all
Just what they've done all week.

Senior News

We have a new student in our class now, Frances Braack, who attended school here her freshman year. She is taking world history, bookkeeping, business relations, and English.

We are studying Chaucer in senior literature, and several of the students see quite a bit of humor in his works.

The seniors have been wondering what kind of a prom the juniors are going to give this year. Now that the weather is much like spring it is the time for things of that nature.

We should certainly appreciate it if all debtors would please pay up their accounts with the senior class. It looks as if we will be out about one dollar, though; because several debtors have quit school, leaving their debts behind---unpaid.

"Oh, Sweet mysteries of life"

Betty T. Oh, 'tis love, 'tis love that makes the world go 'round.

Gus. That may be, but my experience is that the detour signs do a better job.
